

## 2019 Annual Meeting & Expo Abstracts

**Poster # 1:** Patiromer and Maintenance of RAASi Therapy in Hyperkalemic Medicare Patients - Desai NR, Rowan CG, Alvarez PJ, Fogli J, Toto RD

[View Abstract](#)

[View Poster](#)

**Poster # 2:** Psoriasis Patients Utilizing secukinumab, ixekizumab or brodalumab - Comparisons to Prior Biologic Medication Adherence Levels, Reasons for Switching, and Reported Changes in Disease Symptoms - Baiano R, Staskon F, Miller R

[View Abstract](#)

[View Poster](#)

**Poster # 3:** The Impact of an Integrated Health-System Specialty Pharmacy on HIV Antiretroviral Therapy Adherence, Viral Suppression and CD4 Count in an Outpatient ID Clinic - Barnes E, Giumenta A, Johnson M, Zhao J

[View Abstract](#)

[View Poster](#)

**Poster # 4:** Assess integrated specialty pharmacy services as a medication optimization strategy for rifaximin in hepatic encephalopathy patients - Mac E, Battershell A, Buaisha H, Nolan K

[View Abstract](#)

[View Poster](#)

**Poster # 5:** Medication adherence and graft survival among heart transplant recipients - Boghani S, Kirkham H, Witt EA, Hira N, Cherikh WS, Wilk AR, Maghirang J, Pietradoni G

[View Abstract](#)

[View Poster](#)

**Poster # 6:** Medication adherence and graft survival among kidney transplant recipients - Boghani S, Kirkham H, Witt EA, Hira N, Cherikh WS, Wilk AR, Maghirang J, Pietradoni G

[View Abstract](#)

[View Poster](#)

**Poster # 7:** Management of Specialty Drugs, Specialty Pharmacies, and Biosimilars in the United States - Brook R, Smeeding J, Carlisle J, Sax M

[View Abstract](#)

[View Poster](#)

**Poster # 8:** United States Health Plan Cancer Concerns in 2019 - Brook R, Sax M, Carlisle J, Smeeding J

[View Abstract](#)

[View Poster](#)

## 2019 Annual Meeting & Expo Abstracts

**Poster # 9:** Adherence of patients to oral oncolytic and neurologic specialty medications provided by a specialty pharmacy - Bhusal B, Oleru K, Arikian V, Jaster R, Stranz M, Lindhorst J

[View Abstract](#)

[View Poster](#)

**Poster # 10:** Appropriate prescribing of antiemetics with oral oncolytic therapy - a single center experience - Suen CT, Hughes ME, Timlin C, Cambareri C, Kriska R, Strong G, Favatella JK, Demers R, Capozzi DL

[View Abstract](#)

[View Poster](#)

**Poster # 11:** Variation in health plan specialty drug coverage: An empirical analysis - Margaretos NM, Lai RC, Panzer AD, Chambers JD

[View Abstract](#)

[View Poster](#)

**Poster # 12:** Development of a collaborative pharmacy practice agreement to improve efficiency and management of prescribing in a renal transplant clinic - Chelewski R, Johnson K, Zuckerman A, DeClercq J, Choi L, Peter M, Langone A

[View Abstract](#)

[View Poster](#)

**Poster # 13:** Hereditary angioedema C1-inhibitor replacement therapy and coexisting autoimmune disorders: findings from a claims database - Farkas H, Fridman M, Supina D, Chiao J, Prusty S, Berger M

[View Abstract](#)

[View Poster](#)

**Poster # 14:** Coupling patient care management operations with technology and data platform to optimize hepatitis C therapy outcomes - Duong L, Malachowski M, Tran K

[View Abstract](#)

[View Poster](#)

**Poster # 15:** Clinical impact of pharmacist interventions on improving outcomes in patients receiving immune globulin therapy in a home setting - DiStefano J, Vaughan L

[View Abstract](#)

[View Poster](#)

**Poster # 16:** Determining Specialty Pharmacy FTEs (Full-Time Equivalents) Needed in a Clinical Practice - Holton J, Favatella J, Capozzi D, Demers R

[View Abstract](#)

[View Poster](#)

## 2019 Annual Meeting & Expo Abstracts

**Poster # 17:** Real-World assessment of an integrated clinical model on oral Hepatitis C therapy at Southern Ohio Medical Center - Ferraro R, Quillen S, Phillips R, Newman B

[View Abstract](#)

[View Poster](#)

**Poster # 18:** Impact of ambulatory clinical pharmacist interventions on outcomes in the HIV population - Foltanski L

[View Abstract](#)

[View Poster](#)

**Poster # 19:** Development of a palivizumab specialty pharmacy management program - Harlan L, Benskin K, Gatzke C, Majors A

[View Abstract](#)

[View Poster](#)

**Poster # 20:** Cost-effectiveness model for on-demand treatment of hereditary angioedema (HAE) attacks - Tyson C, Anurag R, Adams P, Haynes A, Magar R

[View Abstract](#)

[View Poster](#)

**Poster # 21:** Cost of leukopenia and neutropenia in metastatic breast cancer within last 12, 36, and 60 months using a curated disease model - Alford SH, Ng M, Meade D

[View Abstract](#)

[View Poster](#)

**Poster # 22:** Integrating high touch specialty pharmacy services within a neurology clinic to improve medication access and affordability - B, Hickman A, Edwards K

[View Abstract](#)

[View Poster](#)

**Poster # 23:** Implementation of an Internal Check of Oral Oncolytics: A Single-Center, Specialty Pharmacy Safety Initiative - Hughes M, Kriska R, Strong G, Chung J, Nguyen L, Rubin D, Murphy M, Favatella J, Capozzi D

[View Abstract](#)

[View Poster](#)

**Poster # 24:** Impact of specialty pharmacy taking ownership of the prior authorization process of Multiple Sclerosis specialty medications to increase access to infusible disease-modifying therapy (DMT) - Whetstone M, Reichard J, Sigmon S

[View Abstract](#)

[View Poster](#)

## 2019 Annual Meeting & Expo Abstracts

**Poster # 25:** Impact of a specialty pharmacy benefit on rheumatoid arthritis medication adherence and functional status: a continuation study - M, Zande M, Wickizer M, Topp R, Faust S, Hustad C

[View Abstract](#)

[View Poster](#)

**Poster # 26:** Economic burden of hemophilia B in the US: A systematic literature review - Li N, Sawyer EK, Maruszczuk K, Slomka M, Burke T, Martin AP, O'Hara J

[View Abstract](#)

[View Poster](#)

**Poster # 27:** Impact of specialty pharmacist integration on time to medication access for pimavanserin - Livezey S, McCormick R, Shah NB, Choi L, DeClercq J, Zuckerman AD

[View Abstract](#)

[View Poster](#)

**Poster # 28:** A Targeted Approach to Reducing Rates of Discontinuation and Dose Reduction in Patients Receiving Sorafenib or Regorafenib - Nix R, Looney B, Lamb C, Peter M, Zuckerman AD

[View Abstract](#)

[View Poster](#)

**Poster # 29:** Measuring the impact of integrating PGY-2 ambulatory care pharmacy residents into specialty clinics - Spencer C, Woosley M, Brenske A, O'Reilly E

[View Abstract](#)

[View Poster](#)

**Poster # 30:** Comparison of Extended to Standard Half-life Recombinant Factor VIII Therapy in Patients with Hemophilia A on Prophylactic Treatment - Koerner P, Miller R, Radi M

[View Abstract](#)

[View Poster](#)

**Poster # 31:** Impact of Using Real - World Outcomes versus Clinical Evidence and List Prices on Value Assessments - Meade D, Ng M, Alford SH

[View Abstract](#)

[View Poster](#)

**Poster # 32:** Understanding purchasing patterns and product access of newly launched specialty generics - Ness S, Lucas R

[View Abstract](#)

[View Poster](#)

## 2019 Annual Meeting & Expo Abstracts

**Poster # 33:** Development of a specialty pharmacy productivity benchmarking model - Platt T, Shah R

[View Abstract](#)

[View Poster](#)

**Poster # 34:** Estimating the value of pharmacist interventions in a specialty pharmacy setting - G

[View Abstract](#)

[View Poster](#)

**Poster # 35:** Evaluation of a specialty pharmacy health coaching program - Simonson D, Wittenborg M, Snyder M, Wiest H, McNamara A

[View Abstract](#)

[View Poster](#)

**Poster # 36:** Impact of multidisciplinary patient education sessions on expectations and understanding of new CGRP treatments - Stewart A, Wells R, Young J, Strauss L, Wise S, Granetzke L, Kumar S, Speiser J, Guzik A, O'Connell N

[View Abstract](#)

[View Poster](#)

**Poster # 37:** Impact of outpatient specialty pharmacy on medication adherence in post-kidney transplant patients - Petrosan A, Belfield K, Cohen E, DeVecchio M, Stutsky M

[View Abstract](#)

[View Poster](#)

**Poster # 38:** Impact of Health-System Specialty Pharmacy Services on Medication Adherence in Pediatric Patients with Cystic Fibrosis - Tao V, Papiro T, Stutsky M, DeVecchio M, Kelly SA

[View Abstract](#)

[View Poster](#)

**Poster # 39:** Correlates and barriers to medication adherence in multiple sclerosis patients and their impact on clinical outcomes - J, McPherson D, D'Ambrosi M, Stutsky M

[View Abstract](#)

[View Poster](#)

**Poster # 40:** A novel tool to monitor adherence to oral oncolytics: a pilot study - Sun W, Reeve R, Ouellette T, Stutsky M, De Jesus R, Huffer MJ, Mougalian SS

[View Abstract](#)

[View Poster](#)

## 2019 Annual Meeting & Expo Abstracts

**Poster # 41:** Patterns of on-demand medication use in patients with hereditary angioedema treated long-term with prophylactic subcutaneous C1-inhibitor - Levy DS, Chiao J, Dang J, Hood C, Supina D, Feuersenger H

[View Abstract](#)

[View Poster](#)

**Poster # 42:** Comparison of healthcare utilization among managed Medicaid individuals diagnosed with multiple sclerosis treated with emergent vs. established disease modifying therapy - A, Sutton B, Petrilla A, Teigland C

[View Abstract](#)

[View Poster](#)

**Poster # 43:** Impact of a high-touch, collaborative, patient-centric, Hepatitis C specialty clinical program on completion of glecaprevir/pibrentasvir therapy - Swoope M, Bertram C, Krouskos R, Peeler G, Wood C

[View Abstract](#)

[View Poster](#)

**Poster # 44:** Predicting Time to Medication Access for Hematologic Malignancies: The impact of an integrated specialty pharmacy and limited distribution drug networks – Zuckerman AD, Peter ME, Starks S, Maulis M, Declerq J, Choi L, Jagasia M

[View Abstract](#)

[View Poster](#)
