**Company Name:** Orsini Specialty Pharmacy

**Located:** Headquarters and pharmacy are located in Elk Grove, Village, Illinois

**Number of Employees:** 200

**Type of Business:** Specialty Pharmacy

## **What is your organization's mission and vision?**

Providing patients with comprehensive and compassionate care since 1987, Orsini is the largest independent specialty pharmacy focused on rare diseases, gene therapies, and complex conditions. Orsini's high-touch care model centers around experienced therapy care teams that provide personalized care to patients based on their specific conditions and treatments. The company's comprehensive solutions include medication adherence programs, data analytics, customized manufacturer programs, and nationwide nursing coverage for convenient in-home infusion services.

## **How does your organization impact the specialty patient care journey and help put the *special* in specialty pharmacy?**

Enabling patients' access to the specialty medications they need as quickly as possible is our number one priority. We collaborate with pharmaceutical manufacturers to deliver customized programs and patient journeys that exceed their needs and requirements.

## **How does your organization define success?**

Orsini Specialty Pharmacy believes in a vision of "no patient left behind." With a concentrated team approach, Orsini Specialty Pharmacy is vested and emotionally motivated to contribute to something better than ourselves with the highest level of commitment to exceptional patient-centered care.

## **What else would you like people to know about your organization?**

Our team has extensive experience providing medications for patients with rare diseases and has assisted several manufacturers in launching their specialty medications. Orsini Specialty Pharmacy also has a hub services team to help meet the needs of our patients and manufacturer partners.
