

APRIL 2022

CORPORATE MEMBER Spotlight

EVERSANA™

Locations

EVERSANA™ has more than 40 locations across the United States and globally. Our specialty pharmacy operations is primarily based in Chesterfield, Missouri.

Number of employees

EVERSANA has more than 5,500 employees globally. Our specialty pharmacy operation in Missouri includes more than 200 employees. Additionally, we operate a large 3PL distribution business in several locations that functions as part of our pharmacy operations, shipping therapies to hospitals, clinics, and other health care systems.

Business type

EVERSANA is the leading provider of global commercialization services to the life sciences industry, including specialty pharmacy services. Our integrated solutions are rooted in the patient experience and span all stages of the product life cycle to deliver long-term, sustainable value for patients, prescribers, channel partners, and payers. Our SP has a primary focus on orphan and ultra-orphan medications where we are the exclusive provider of that product.

Mission and vision

Our mission is to create a healthier world for all.

Our vision is to be the leading life science commercial services company accelerating the industry's shift to patient-centered, value-based care.

Additional information about Eversana

EVERSANA's specialty pharmacy solution offers flexible, in-house distribution options, including direct to patients and health care providers. It's part of our next-generation patient service solutions at EVERSANA, focused on improving patient outcomes. Our offerings include end-to-end access and reimbursement solutions, adherence programs to help keep patients on therapies leveraging digital tools to increase patient communication and engagement, affordability programs to deliver the right solution to the right patient, as well as in-home nursing and clinical support providing high-touch patient engagement.

Contact information

NASP members who would like to learn more about EVERSANA, our specialty pharmacy solutions, as well as any other commercialization services, can contact Bill Chauvin, Vice President, Specialty Pharmacy Services at EVERSANA at bill.chauvin@eversana.com.

NASP is pleased to announce our redesigned Spotlight: NASP Corporate Members of the Month program, expanding our focus from one corporate member each month to four – and featuring one each week. Why the change? NASP has experienced tremendous growth and membership diversification so this change is necessary to keep you up to date with all the incredible organizations who ARE NASP. Spotlight is designed to increase awareness about the amazing work and invaluable contributions of each of our corporate members and allow members to connect with each other.
