Company Name

Grafed Pharmacy Solutions

Locations

We are located in the South Central area of the island of Puerto Rico in the rural town of Villalba.

Number of employees

Fifteen full-time employees, two part-time employees, and three on-call shifts.

Business type

We are a Specialty Pharmacy with an Infusion Center on-site. We also provide Community Pharmacy Services with a Vaccine Clinic on-site and a Vaccination Outreach program.

Mission

As Healthcare Missionaries we strive to educate our patients in their medication therapy process, as we walk with them hand in hand for the life of their health needs with great empathy.

We provide solutions to each particular patient's needs while focusing on positive outcomes.

Additional information about Grafed Pharmacy Solutions

As a faith-based organization, we have formed partnerships with community local churches throughout the island of Puerto Rico, to bring health awareness, health prevention awareness, vaccination clinics, and health fairs.

We have also partnered with the cycling community throughout the island to help motivate individuals with chronic conditions like Multiple Sclerosis, Rheumatoid Arthritis, Cancer, Parkinson's Disease, and other chronic conditions, along with the importance of exercising to help battle their conditions.
