Mission

Modernize Medication Shipping, Tracking and Compliance with VPL TrajectRx...

Built for pharmacies, by pharmacists. We empower outpatient pharmacies by giving them the cloud-based shipping solution they need to build stronger, smarter operations so they can practice at the top of their licenses and get back to what matters most: their patients

Additional information about

VPL

Before Shipping:

Simplify getting your packages out the door. Creates efficient and thoughtful clinical workflows and optimizes costs with carrier and courier options.

During Transit:

Improve continuity of care. Keeps patient notified from shipped to delivered and provides complete visibility to Rx staff.

After Delivery:

Reduce the stress of compliance. Simplifies payor audits with proof of delivery and provides targeted data insights specific to your accreditation metrics.

VPL supports more than 700 hospitals, pharmacies and surgery centers and is proud to report a 97% customer retention rate.
