Mission

Vanderbilt Specialty Pharmacy is a fully integrated pharmacy service unit of Vanderbilt University Medical Center. Our mission is to provide the highest quality of services to patients in order to achieve the best outcomes of specialty medication therapy. We are devoted to continued advancement and optimization of the integrated advanced practice Health System Specialty Pharmacy model through innovation, research, education and exemplary patient care.

Additional information about Vanderbilt Specialty Pharmacy

We strive to provide preeminent care to all VUMC patients and health plan members requiring specialty drug therapy and to achieve optimal outcomes by ensuring treatment access and affordability, rigorous assessment of response to therapy and ongoing treatment appropriateness, clinical support to facilitate adherence, persistence and achievement of anticipated outcomes across the continuum of care, and by learning from research to implement insights and continually improve patient care.

We welcome collaboration with industry stakeholders dedicated to advancing and optimizing specialty pharmacy care.
