PAN Foundation

Company Name

Patient Access Network (PAN) Foundation

Locations

Our headquarters are in Washington, DC, but like many organizations, we have become a very "virtual" organization.

Number of employees

135-140

Business type

We are a national patient advocacy organization and charitable foundation.

Mission

Our mission is to support people who are underinsured by providing financial assistance to help cover out-of-pocket costs for prescription medications. Every day, we advocate for improved access to affordable care for all, without discrimination.

Additional information about the Patient Access Network (PAN) Foundation

The PAN Foundation provides a very important safety net for people living with life-threatening, chronic and rare diseases. Financial assistance helps ensure that people can start and adhere to their treatment. This is especially important for those with federal insurance, such as Medicare, who have no other place to turn for assistance.
