Dear Pharmacy Provider,

As you are well aware, the ongoing Change Healthcare outage has prevented Wyoming Medicaid pharmacy claims from being submitted, adjudicated, and paid. We would like to assure you that Wyoming Medicaid will reimburse pharmacies for valid claims with dates of service in the timeframe of this outage. With the understanding that dispensing product without assurance of or timeline for payment can place a large burden on pharmacy providers, Wyoming Medicaid would like to offer enrolled pharmacies advance payments based on each pharmacy's typical weekly reimbursement amount.

If your pharmacy would like to take advantage of this opportunity for advanced payment, please fill out the information below, and we will communicate with you further and move forward with advance payments. Please send the completed form to **collin.townsend@wyo.gov**.

Thank you for continuing to serve Wyoming Medicaid clients and for your patience in this challenging situation.

Sincerely,

Lee Grossman  
 Wyoming State Medicaid Agent
