

Workbook and Conference Guide

October 6-9, 2024

Gaylord Opryland Resort & Convention Center | Nashville, TN

Simplify specialty pharmacy with EnterpriseRx® Specialty Solution™

In the complex world of specialty pharmacy, EnterpriseRx® Specialty Solution™ provides a single solution that allows you to build, administer, efficiently manage and report on specialty programs for all your stakeholders. Seamlessly integrated with the EnterpriseRx pharmacy management system, EnterpriseRx Specialty Solution eliminates the need for an additional program, resulting in cost savings and improved operational efficiency. And when your pharmacy is running more smoothly, you can dedicate more time and attention to what truly matters—your patients.

“One of the biggest challenges we were facing on a day-to-day basis prior to converting to EnterpriseRx® was being able to manage specialty orders that had a high number of prescriptions in each order. After converting to EnterpriseRx, we were able to process refill orders and make sure our patients got their medications on time, and this was happening faster than we’d ever experienced before.”

Blossom Padikkala
SVP, Clinical Operations

WELCOME

A MESSAGE FROM THE PRESIDENT & CEO

Dear NASP Members and Conference Attendees,

It is an honor and a pleasure to officially welcome you to the National Association of Specialty Pharmacy (NASP) 2024 Annual Meeting & Expo! We are so excited to welcome you to the fabulous Gaylord Opryland Resort & Convention Center in Nashville, Tennessee.

This year's conference promises to be our biggest and best yet! Building off the tremendous success we enjoyed last year, it will again offer everything that attendees love and have come to expect, as well as new events, activities, and educational opportunities as we come together to learn, share best practices and celebrate all that is special about specialty pharmacy. With riveting keynote addresses, thought-provoking conference workshops, four separate and extensive educational tracks, live CE credit, a full-scale exhibit hall, extensive Poster Hall, robust networking opportunities, the fabulous Women in Specialty Pharmacy Luncheon, our third annual Educate to Cultivate networking event, Certified Specialty Pharmacist (CSP) networking lunch, our industry, scholarship, and poster awards ... the 2024 Annual Meeting & Expo simply has it all!

Conference Highlights Include

- 40+ unique educational sessions and panel discussions organized into four CORE (Clinical, Operational, Regulatory, Specialty Experience) dynamic tracks to help you focus on what is most important to you
- Six conference workshops
 - Accreditation
 - Cell & Gene Therapy – New this year!
 - Certified Specialty Pharmacist (CSP) Exam Prep Course
 - Hospital/Health System Specialty Pharmacy
 - Specialty Pharmacy Law
 - Technology
- Live CE credits for pharmacists, pharmacy technicians, and nurses and CLE credits for legal professionals
- Inspiring keynote presentations, including:
 - Monday's address by Rick Lozano-join us and Find Your Jam
 - Tuesday's distinguished address by Charles Esten
- A bustling Exhibit Hall featuring 80+ exhibitors, representing all specialty pharmacy industry stakeholders
- A unique selection of wellness activities sprinkled throughout the day including breathwork, morning meditation, aromatherapy, chair stretch, and an invitation to Boot, Scoot & Boogie with Us
- The ever-popular Women in Specialty Pharmacy luncheon, featuring speaker Jessica N. Turner
- Our back-by-popular-demand Educate to Cultivate Networking Event with a special speaker and creative activity
- The latest research and trends and engaging author discussions during our live poster Q&A session, home study CE credit available
- Product theaters and showcases to enhance your clinical and practical pharmacy knowledge
- A celebration of excellence at the NASP Industry Awards Presentation
- Recognition of the achievements and ambitions of our future leaders at the NASP Ron Bookman Scholarship Awards Presentation
- Robust networking opportunities Sunday and Monday evening in the Exhibit Hall to mix, mingle and meet and learn about all the services and products offered by our sponsors and exhibitors
- Three stories of good old-fashioned fun at The Nash Bash at the historic Acme Feed & Seed on Broadway on Tuesday night
- US Healthcare Trends, Issues and Outlook presented by Doug Long, IQVIA's VP of Industry Relations, Scott Biggs, Director of Supplier Services
- Everything You Need to Know About Medicare Price Negotiation featuring Massey Whorley, Principal at Avalere
- Tina's Warriors Packing Party, an event to prepare care packages for breast cancer patients, enjoy some perfectly pink refreshments and share some love and support, graciously sponsored by Hercules.
- And more!

These are the highlights, but the conference has so much more to offer. Our diverse agenda provides many opportunities to learn about industry trends and innovations, the latest clinical information, and regulatory updates, as well as earn much-needed LIVE CE credit, connect with old friends, and make new connections.

I want to express my heartfelt gratitude and appreciation to all who have worked tirelessly and diligently for months to make this conference a success:

- Our sponsors, exhibitors, and attendees: Without your generous support, the NASP Annual Meeting & Expo would not be possible.
- Our presenters and panelists: These are the nation's leading industry experts who have generously volunteered to share their experience and expertise with us.
- Our NASP members who graciously volunteered to serve as Presentation and Abstract Reviewers, Room Bosses, and Meeting Ambassadors.
- The NASP Executive Committee, Board of Directors, and our nine NASP member-led committees: They volunteer countless hours and give generously of their time and energy to ensure our conference is a resounding success.
- The Annual Meeting & Expo Planning Committee: this incredible team has been hard at work throughout the year to plan the conference.
- The NASP Membership and Ron Bookman Scholarship Committees, who review and score all nominations for our Industry Awards and Scholarships.
- The NASP Education Committee workgroups including Accreditation Education, Annual Meeting Main Conference Programming, Annual Meeting Poster/Abstracts, CSP Exam Prep, Education Center, Hospital/Health System Education, Innovative & Advanced Specialty Topics, Patient Education & Resources workgroups, as well as the Legal and Technology Committees for their tireless dedication and commitment to the development of best-in-class educational programming and an esteemed speaker faculty for the conference.

Throughout the conference, as we enhance our expertise and invest in our future, it is essential to keep the patient at the center of all that we do. Through all the educational offerings and conference activities, we strive to elevate the practice of specialty pharmacy. Our focus is and will always be ensuring patients have appropriate access to specialty medications in tandem with critical services, from the pharmacy of their choosing.

Thank you to each of you for attending the NASP 2024 Annual Meeting & Expo and sharing your time, experience, expertise, and energy with us and each other. When the conference ends, I hope everyone has a renewed sense of commitment, inspiration, and passion for this amazing industry. You, as the industry leaders, have the vision, the knowledge, and the experience to help us shape our future. You are truly our greatest asset, and we simply could not accomplish what we do without your support and partnership.

Experiences are more impactful when we share them together. Here's to creating new memories in new places.

Rock on!

This session will review ATTR amyloidosis, including cardiomyopathy and polyneuropathy manifestations of the disorder. Epidemiology, clinical presentation, and diagnosis will be reviewed.	Cheekwood B

Thank You!

On behalf of NASP, THANK YOU to our army of dedicated and passionate volunteers. We truly rely on the generosity and volunteer spirit of our members. A special thanks to the NASP Annual Meeting & Expo planning team – Carmine DeNardo, Linda Stanko, Meeting Management Associates (MMA), and the EXTRAORDINARY NASP team. I am extremely grateful for your dedication to NASP and our mission to elevate and promote the practice of specialty pharmacy. Without your help, none of this would be possible.

Sheila M. Arquette

Joint Accreditation Statement

Pharmacy Continuing Education

The University of Illinois Chicago College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education. The non-accredited cosponsor for this conference is the National Association of Specialty Pharmacy (NASP). This conference has been assigned ACPE Universal Activity Numbers as listed on the NASP conference website. Attendance at the entire knowledge-based activity, completion of each session evaluation(s), and submission of NABP eProfile ID and date of birth (month/day) are prerequisites for receiving continuing pharmacy education credit(s) at each session. Upon completion of each session online evaluation, credit(s) will be submitted to CPE Monitor™ within 30 days of the conference. Please contact pharmce@uic.edu if you do not see the activity information listed within 30 days. For more information and to set up your e-Profile visit: www.MyCPEmonitor.net.

Nursing Continuing Education

UI Health is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation. The maximum number of hours for the main conference that can be awarded for this Continuing Nursing Education conference is 10 contact hours and 4 contact hours for the workshops. Visit the NASP conference website for more information.

Pharmacist Continuing Education

The University of Illinois Chicago College of Pharmacy designates this continuing education conference for a maximum of 12 contact hours (1.2 CEUs) for the main conference and a maximum of 8 contact hours (0.8 CEUs) for the workshops of continuing pharmacy education credit(s).

Type of Activity: Knowledge

Pharmacy Technician Continuing Education

The University of Illinois Chicago College of Pharmacy designates this continuing education conference for a maximum of 10 contact hours (1.0 CEUs) for the main conference and a maximum of 6 contact hours (0.6 CEUs) for the workshops of continuing pharmacy education credit(s).

Type of Activity: Knowledge

For Pharmacists and Pharmacy Technicians:

Upon completion of each session online evaluation, your credit(s) will be submitted to CPE Monitor. Pharmacists/Pharmacy Technicians have up to three weeks (21 days) to complete the evaluation(s) and claim credit.

For information on how to claim CLE, please see the Annual Meeting & Expo website.

How to Claim CE Credit

To obtain your CE credit, please follow the steps below. **You will have 3 weeks (21 days) from the last day of the conference to complete the evaluation and claim CE credit.**

Pharmacists

1. Visit <https://go.uic.edu/NASP2024Pharmacists> and sign into your account.
 - a. If you do not have an account, visit <https://pharmacyce.uic.edu/moodle> and select "Log in" in the top right corner of the page, then "**Create new account**" under "Is this your first time here?". Complete your profile information and proceed to select the session you would like to complete the evaluation and claim CE credit.
2. Select a session in which you would like to claim credit. Enter the access code in the box labeled "Session access code Enrollment key". **The code will be provided at the end of each session at the conference. Please make note of each session code (codes are different for each session) as they will not be distributed later.**
 - a. Note: All pharmacist sessions are located within the folder "NASP 2024 Conference Evaluations-Pharmacist".
3. Complete the session evaluation. After submitting your session evaluation, your CE will be automatically uploaded to CPE Monitor within 30 days.

Pharmacy Technicians

1. Visit <https://go.uic.edu/NASP2024PharmacyTechs> and sign into your account.
 - a. If you do not have an account, visit <https://pharmacyce.uic.edu/moodle> and select "Log in" in the top right corner of the page, then "**Create new account**" under "Is this your first time here?". Complete your profile information and proceed to select the session you would like to complete the evaluation and claim CE credit.
2. Select a session in which you would like to claim credit. Enter the access code in the box labeled "Session access code Enrollment key". **The code will be provided at the end of each session at the conference. Please make note of each session code (codes are different for each session) as they will not be distributed later.**
 - a. Note: All pharmacy technician sessions are located within the folder "NASP 2024 Conference Evaluations-Pharmacy Technician".
3. Complete the session evaluation. After submitting your session evaluation, your CE will be automatically uploaded to CPE Monitor within 30 days.

Nurses

1. Visit <https://go.uic.edu/NASP2024Nurses> and sign into your account.
 - a. If you do not have an account, visit <https://medicinece.uic.edu/moodle/> and select "Log in" in the top right corner of the page, then "**Create new account**" under "Is this your first time here?". Complete your profile information and proceed to select the session you would like to complete the evaluation and claim CE credit.
2. Select a session in which you would like to claim credit. Enter the access code in the box labeled "Session access code Enrollment key". **The code will be provided at the end of each session at the conference. Please make note of each session code (codes are different for each session) as they will not be distributed later.**
 - a. Note: All nurse sessions are located within the folder "NASP 2024 Conference Evaluation-Nurses".
3. Complete the session evaluation. After submitting your session evaluation, you can download your CNE credit certificate of completion immediately.

2024 ANNUAL MEETING & EXPO KEYNOTE SPEAKERS

Rick Lozano **Leadership and Personal Development**

Monday, October 7 | 8:00 AM
Location: Tennessee Ballroom

Rick Lozano helps people unlock potential and amplify their talent, and he does it all with his unique blend of energy, expertise, and a musician's soul.

After twenty years of experience in award-winning talent and leadership development programs, Rick founded his own business, Unlock & Amplify®, to help develop leaders, teams, and workplace cultures that resonate, engage, and unleash the power of their people.

He brings his creative approach to audiences across the globe combining his skills as a world-class speaker and facilitator with his creative talents as a singer/songwriter and musician - and occasional game show host!

And in the process, he has built a reputation for his refreshing delivery that leaves audiences raving, and - more importantly - with action items they can immediately implement to produce change.

Charles Esten **Patient Journey**

Tuesday, October 8 | 8:15 AM
Location: Tennessee Ballroom

Multi-talent Charles Esten is a global entertainer. Best known for his roles as "Ward Cameron" on Netflix's *Outer Banks* and "Deacon Claybourne" in ABC/CMT's *Nashville*, the artist-songwriter introduces his independent debut album, *Love Ain't Pretty*, on January 26. Surpassing 21 MILLION streams to date, Esten is a 2018 Guinness World Records title holder for the "Most consecutive weeks to release an original digital single

by a music act" after delivering 54 original songs once a week for 54 straight weeks. He's made nearly 170 appearances at Nashville's iconic Grand Ole Opry and performed multiple headline tours in the U.S., Germany, Amsterdam, and U.K., further embarking on his international headlining LOVE AIN'T PRETTY TOUR this spring. In addition, Esten serves as the National Honorary Spokesperson for the Leukemia & Lymphoma Society's annual Light The Night

He is the author of two books, *Acoustic Leadership - Develop A Leadership Culture That Resonates* and *Find Your Jam: Create Momentum, Unlock Potential, and Rock What's Next*.

He served as President of the Austin Chapter of the National Speakers Association, and has the industry's CSP (Certified Speaking Professional) designations, a credential only held by 18% of the thousands of members worldwide.

Engage. Develop. Inspire. These are the things Rick does best, sometimes with a guitar in hand.

For more information, visit ricklozano.com.

Walk, and is a board member and volunteer for Musicians On Call.

Join us for our Patient Journey keynote. Charles shares his family's painful path through his daughter's cancer journey and how celebrating his daughter's survival has led him to raise blood cancer awareness and money to develop cures.

Jessica N. Turner

Women in Specialty Pharmacy Luncheon*

Tuesday, October 8 | 12:30 PM

Location: Magnolia Ballroom

**Additional fee. Pre-registration required.*

Do you ever feel stretched too thin? For many working professionals, the juggling act of work, home management, family responsibilities and self-care is overwhelming. However, it is possible to thrive in these areas, feeling intense satisfaction in your personal and professional life. Discover how to overcome the hustle and truly thrive as a working professional. With candid stories and practical solutions, Jessica's

inspiring message will encourage you to live better and more fulfilled.

Jessica N. Turner is a content creator and tastemaker for busy moms looking for hacks to live life with more intention and less stress. Jessica is also the author of the Wall Street Journal bestselling book *The Fringe Hours* and *Stretched Too Thin: How Working Moms Can Lose the Guilt, Work Smarter, and Thrive*. She has

been featured in numerous media outlets including The Today Show, The Tamron Hall Show, Hallmark's Home & Family, O Magazine, People Magazine, Better Homes and Gardens, Time.com and Inc.com.

THANK YOU

With our heartfelt gratitude and appreciation to our army of volunteers for their dedication and commitment to providing best-in-class specialty pharmacy education:

Exhibitor	Booth	Description
Accessia Health	127	For more information please visit https://accessiahealth.org/
Accreditation Commission of Health Care	502	Accreditation Commission for Health Care (ACHC) is a nonprofit with over 35 years of experience promoting safe, quality patient care. As a national leader in accreditation, ACHC is known for providing value, integrity, and the industry's best customer service.
Accredo by Evernorth	405	Accredo by Evernorth is a full-service specialty pharmacy dedicated to the treatment of rare and complex conditions. Our comprehensive therapy management programs engage trained pharmacists, nurses, reimbursement specialists, and patient care representatives who provide enhanced support services.
ACU-Serve	330	ACU-Serve is an end-to-end revenue cycle management company offering solutions from intake through cash posting. For over 30 years, we have been a strategic business partner for providers across the United States. For more information, contact Brooke Renn, Sales Executive at brenn@acuservecorp.com .
AdvisorWoRx, LLC	232	AdvisorWoRx is a healthcare consulting firm that helps organizations improve service delivery in the pursuit of outcomes with value. Our focus areas include regulatory and accreditation compliance, process improvement, product development, and strategic planning.
Agadia	402	Agadia is a healthcare management technology company addressing the needs of the managed care market with a suite of UM solutions in ePA, MTM, star ratings & adherence, grievance management & formulary benefit design to drive efficiency, appropriate utilization, compliance, and profitability.
ALK Life Science Solutions	129	ALK Life Science Solution's clear and amber sterile vials ensure the integrity of what's inside. We feature Type 1 glass USP borosilicate, and latex free stoppers. Produced at a cGMP FDA Manufacturer and USP tested for sterility, endotoxins, and aseptically assembled in an ISO 5 (class 100) cleanroom. Certificate of Analysis available for all lots.
Alnylam Pharmaceuticals	113	Alnylam Pharmaceuticals has led the translation of RNA interference (RNAi) into a class of medicines with the potential to positively impact lives of people afflicted with rare and prevalent diseases with unmet need.
Altor Solutions	507	For more information please visit https://altorsolutions.com/
Amber Specialty Pharmacy	426	Amber Specialty Pharmacy is a pioneer and leader in the industry. We provide infusion services and specialty medications to patients with chronic, complex, and rare conditions. We are headquartered in Omaha, NE with 6 locations nationwide.
American Pharmacists Association	210	The American Pharmacists Association (APhA) is the only organization advancing the entire pharmacy profession. APhA leads the pharmacy profession by supporting pharmacists, student pharmacists, and pharmacy technicians in their role optimizing medication use and patient health outcomes.
Asembia	100	Asembia is a leading provider of business solutions for specialty pharmaceuticals. The company collaborates with thousands of member pharmacies, manufacturer partners, prescribers, and other industry stakeholders to deliver solutions for the specialty pharmaceutical channel.
Atlas Health	208	Atlas, the leader in patient financial assistance, operates the largest network of funding sources to help patients access and afford care. Our AI-powered platform, Atlas MAP, automates enrollment, streamline claims and maximizes award efficiency, empowering providers to help more patients.
Authenticx	403	Authenticx is the new standard for humanizing conversational intelligence in healthcare. By analyzing millions of patient interactions (like voice, chat, or emails), Authenticx reveals hidden barriers, motivators, and strategies so healthcare organizations can make confident, data-backed decisions.
BioCare, Inc.	104	For over 40 years, BioCare, Inc. has delivered high-touch service to its customers, serving as a national distributor of life-saving therapies through BioCareSD and providing pharmaceutical third-party logistics services via LogiCare3PL.
Biologics by McKesson	525	Biologics by McKesson is specialty pharmacy with over 29 years of experience connecting patients to life-changing medications in oncology and rare therapeutic areas, harnessing unparalleled reach across the healthcare system to connect the dots to deliver better outcomes for every patient.
Capital Wholesale Drug Co	413	Capital Wholesale Drug Co. is a family-owned pharmaceutical wholesaler located in Columbus, Ohio with over 74 years of experience. Capital has a full-line offering of all major generic and brand pharmaceuticals to pharmacies and healthcare providers at market competitive pricing.

Exhibitors (as of August 14, 2024)

Exhibitor	Booth	Description
CarepathRx Technology Solutions	307	CarepathRx offers comprehensive pharmacy solutions with built-in reporting tools for accreditation compliance & productivity insights. Seamlessly integrate with EMR systems & meets Limited Distribution Drug requirements. Manage clinical consults for 75+ conditions, refills, and Prior Auths.
Cencora/ AmerisourceBergen	117	Cencora, previously known as AmerisourceBergen, is a leading global pharmaceutical solutions organization focused on improving the lives of people and animals. Learn more at www.cencora.com .
CitusHealth	107	CitusHealth is a digital health transformation leader delivering an industry-leading on-demand platform that enables real-time, secure collaboration to optimize the patient experience.
Claritas Rx	500	Utilizing cutting-edge data analytics & AI, we provide market access teams with valuable insights into patient journey and treatment barriers. We aim to ensure initial and continued therapy for specialty and rare disease patients while enabling teams to monitor brand performance on multiple metrics.
Clearway Health	200	Clearway Health partner with hospitals & health systems to build or strengthen their own specialty pharmacy programs, improve access to care and provide personalized support to vulnerable patients, families, providers and care managers to eliminate barriers & ensure medications are received on time.

About NASP

The National Association of Specialty Pharmacy (NASP) is 501(c)(6) non-profit trade association representing all specialty pharmacy industry stakeholders. Founded in 2012, the mission of NASP is to elevate the practice of specialty pharmacy by developing, delivering and promoting continuing professional education and specialty certification, while advocating for public policies that ensure patients have appropriate access to specialty medications in tandem with critical services. With more than 180 corporate members and more than 3,000 total members, NASP is unifying the voices of specialty pharmacy.

Membership diversity: Due to the complexity and interdependency of specialty pharmacy patient care, NASP membership encompasses organizations across the entire healthcare spectrum, including specialty pharmacies, pharmaceutical and biotechnology manufacturers, group purchasing organizations, patient advocacy groups, integrated delivery systems, health plans and PBMs, technology and data management vendors, law firms, logistics providers, wholesalers and distributors, practicing pharmacists, pharmacy technicians and students, and nurses.

Education and certification: NASP provides an online education center that offers 80+ accredited continuing pharmacy education programs, hosts an annual meeting with both clinical and business focused educational sessions offering continuing education credits, and is the only organization that offers the Certified Specialty Pharmacist (CSP) credential, designed to validate professional expertise in specialty pharmacy practice.

The Specialty Pharmacy difference: In addition to dispensing medications to patients living with complex, life-altering, and often life-threatening medical conditions, specialty pharmacy also provides comprehensive and coordinated patient care support services and disease management programs. Specialty pharmacy serves as an extension of the prescriber's office, working to ease the treatment burden for patients, families, and caregivers as they work to manage complex, rare, progressive, or debilitating illnesses. These include cancer, hepatitis C, infectious disease, infertility, Crohn's disease, rheumatoid arthritis, psoriasis, HIV/AIDS, multiple sclerosis, cystic fibrosis, organ transplantation, human growth hormone deficiencies, hemophilia, and other bleeding disorders.

The focus on patient care: NASP is proud of its role in supporting its members to improve therapeutic outcomes and controlling health care costs, both for patients and for the overall health care system. NASP supports a free-market health care system in which all specialty pharmacies compete on the same fair and level playing field and believes Americans with serious health conditions should not face barriers to the care that they, their physicians, and their pharmacists determine is best for them. NASP is committed to working with all stakeholders and policymakers to ensure that all patients have access to the life-saving medications they need and the high-touch patient care support services they deserve from the pharmacy of their choosing.

Founding Members

The companies below provided their initial support and continue to be instrumental in supporting NASP's mission to promote and elevate the practice of specialty pharmacy. Thanks to their vision, commitment, and generosity, the specialty pharmacy industry now has a unified, national voice and representatives advocating on their behalf and on behalf of the patients we collectively serve.
