

Education Committee

Mission:

The mission of the Education Committee is to continuously monitor and assess the relevance and value of NASP's specialty pharmacy educational programs to specialty pharmacy industry professionals; ensure that a strong emphasis is placed on the patient's experience across the entire specialty pharmacy care continuum including direct patient care and improving patient outcomes; and to identify and recommend new programs to be developed based on emerging therapies, medical innovation and changes in business practices that are consistent with the mission of the organization.

Committee Chair:

- Rebekah Anguiano, NASP

Board Liaison:

- Mike Nameth, Blink Health

Staff Liaisons:

- Sheila Arquette
- Melissa Richards

Committee Members:

To view the list of committee members, please visit naspnet.org/about/committees/education
