Disclosure(s): Dr. Aiyevbomwan, Mr. Blake and Ms. Suber, the planners, and the other reviewers who contributed to this activity have no relevant financial conflicts of interest to disclose.

Date/Time: Tuesday, May 19, 2026, 1:00 - 2:00 PM EST

Location: [Zoom Meeting Information for Live Webinar](#)

Format: Conducted via Zoom

Pharmacist Learning Objectives:

At the end of this knowledge-based activity, participating individuals should be able to:

- Discuss HIV Long Acting Injections, their prevalence in practice, and how they compare to older regimens
- Review the impact of Long Acting Injections and the utilization of treatment to eliminate disparities in the HIV patient population
- Provide and review of best practices for patient medication access, financial assistance, and additional community resources to provide optimal patient outcomes

Target Audience: Pharmacists

Type of Activity: Knowledge

Fees: Complimentary for members. There is a fee of \$30 for non-member pharmacists.

Statement of Continuing Pharmacy Education Credit:

The UIC Retzky College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education. The non-accredited cosponsor for this activity is the National Association of Specialty Pharmacy (NASP). This activity has been assigned an ACPE Universal Activity Number 0016-9999-26-032-L02-P for 1.0 contact hours (0.1 CEUs) of CE credit for pharmacists. Attendance at the entire knowledge-based activity, completion of the evaluation, and submission of NABP eProfile ID and MMDD are prerequisites for receiving continuing pharmacy education credit(s). All ACPE credit awarded to participants must be uploaded to CPE Monitor™ within 30 days of the activity date. Pharmacists are required to provide their e-Profile ID and date of birth (MMDD) at the time of the activity. Please contact pharmce@uic.edu if you do not see activity information listed within 30 days. For more information and to set up your e-Profile visit: www.MyCPEmonitor.net.

How to Earn Credit:

Participants must complete the activity as described in the Continuing Education Statement above. After attending the activity, participants must complete the activity evaluation to claim CE credit. All CE credits will be uploaded to CPE Monitor™.

Provider Contact Information: For general information or to ask a question, please e-mail pharmce@uic.edu. Copyright © 2026 – The Board of Trustees of the University of Illinois. All rights reserved. Reproduction in whole or in part without permission is prohibited. [Privacy Policy](#).

NASP Disclaimer: The Specialty Pharmacy Certification Board (SPCB) develops and oversees certification programs for specialty pharmacists and licensed pharmacists who work in a capacity related to specialty pharmacy and meet the eligibility requirements in the candidate handbook, implements policies and procedures for these certification programs, and oversees the development of the certification examination(s). The SPCB retains autonomy over all certification program policies and decisions. It is important to note that as the CSP's governing board, the SPCB does not accredit, approve, endorse, or recommend any education or training programs and/or products designed or intended to prepare candidates for certification. SPCB has no involvement in the development or delivery of such programs or products.
